

DETERMINATION OF NON-SIGNIFICANCE (DNS)

The City of Colville issued a Determination of Non-Significance (DNS) under the State Environmental Policy Act Rules (Chapter 197-11 WAC) for the following proposal: Zoning Ordinance Text Amendment #1-17. This is a non-project action by the City of Colville to amend the Colville Zoning Ordinance, Title 17 of the Colville Municipal Code. The City is a participant in the National Flood Insurance Program but does not meet requirements set by the Department of Ecology. To remain a participant the City must amend its floodplain ordinance.

Following review of a completed environmental checklist and other information on file with the lead agency, the City of Colville has determined that this proposal does not have a probable significant adverse impact on the environment. This information is available to the public on the city website, or at the Office of Building & Planning, City Hall, 170 S. Oak St., Colville, WA 99114 (509) 684-5097. The public is invited to comment on this DNS by submitting written comments no later than 5 PM, March 31, 2017 to City Planner RJ Keetch at the above address, or plandir@colville.wa.us.
