## **Volunteers, Referees, and Coaches are Needed**

Several programs offered through the Colville Recreation Department are only possible because of the generous help from adults who donate their time and energy. High School Students can receive Community Service Hours by volunteering for one of the many opportunities provided through the Colville Recreation Department. You don't have to be an expert to be a coach or a referee. All you really need is patience and a few hours a week. We have manuals, videos, and exercised coaches available to help. Call the Recreation Department at 684-6037 for more information. **All volunteers working with children will be required to complete a Washington State Patrol background check.**

**\*There will be NO refunds after program starts!**

**\*DO NOT RETURN FORMS TO THE SCHOOLS. PLEASE  
RETURN ALL FORMS TO THE RECREATION OFFICE**

**\*\*None of these programs are Colville School District sponsored events.\*\***

**\*MAKE ALL CHECKS PAYABLE TO: The City of Colville**
