	Sept. 1-Dec. 15 for applications. Te City Council may only have one meeting in December. So if we need approval for an event, we should have it to City Council for their 1 st meeting in December.	
Operating Principles and Guidelines	Connor reported that City Council approved the changes, but didn't address #6d: "When the committee plans and promotes an event, the committee shall negotiate the terms of contracts, schedule dates, and obtain invoices." Other changes to recommend may surface over the year.	April 5 th meeting: unanimous agreement to table until the November VFC meeting.
Shook Twins, Colville Rendezvous	Successful event with people from all around. The rendezvous was packed and audience was good.	
Kettle Falls Camp and Jam	Many of the print and radio advertising did not include VF. Shoemaker told Harding that including VF in advertising is important. She communicated with him several times. We need to communicate early on.	
Stevens County Harvest Festival, Sept. 17th	Good job in advertising VF before and at the event. Weather was not good and attendance was down. Home Trend Show was the same weekend. Communication could have been improved; coordinate advertising. Zack Hanson not well attended, 40 people in audience, as it was late in day and raining.	
Piecemakers Quilt Guild Bi-Annual Show, Community Colleges of Spokane, Colville	Good job including VF in advertising.	
Event Reports	All are returned, but Drum Brothers.	Shoemaker will fill out form for Shook Twins and ask Loftis to do one for Zack Hanson.
Ken Bevis	Natural history singer-songwriter.	Ahlenslager will pursue
