October 17, 2016

CITY OF COLVILLE FALL LEAF PICK-UP 2016

Leaves and pine needles can be placed along the edge of the street by 7:00 a.m. on November 7th and the Colville Street Department will pick up and remove them at no charge. City crews will make only one pass through the city and will not return to a neighborhood after the initial pick up, so residents are encouraged to have their leaves or needles along the street by this time. There will be no alley pick-ups. Only leaves and pine needles will be picked up - no branches, brush, or other yard debris will be accepted. Residents are encouraged to dampen the piles of loose leaves to prevent leaves from blowing into the streets and back into neighboring yards. Please do not bag leaves. If you have any questions, please call Municipal Services Administrative Assistant Erica Schauls at (509) 684-1489 or the Street Dept. at (509) 684-8165.
