

# USE AT YOUR OWN RISK ASSUMPTION OF RISK AND WAIVER OF LIABILITY

## *Relating to Coronavirus/COVID-19*

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people. The City of Colville has put in place preventative measures to reduce the spread of COVID-19; however, the City cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending the City splash pad could increase your risk and your child(ren)'s risk of contracting COVID-19.
